Hi Anna,

On a side note, the banner got destroyed in the last storm, so it's down. I have ordered another one. Please let folks know so they don't think it's down permanently.

**Subject:** Standing on the side of justice on the 23rd

Dear Mayor, Vice-Mayor and City Councilors,

My name is Anna Finklestein and I am a Cambridge resident. I had the wonderful opportunity to work with current Mayor Marc McGovern on getting the Black Lives Matter banner hung on City Hall--thank you for your continued commitment to racial justice!

I'm writing to urge you to continue pursuing social justice in the city of Cambridge by considering the wonderful work that the Massachusetts Against Hewlett Packard Campaign is doing on April 23rd. I look forward to seeing the Council continue our city's tradition of standing on the side of justice.

Sincerely,
Anna Finklestein
